SHERWOOD CAMP OUT

4-6 OCTOBER 2025

Relax and discover Sherwood Cliffs and surrounds.

On the farm you'll find cattle, pigs, horses, donkeys, bees, ducks, geese, chickens and peacocks as well as whole lot of native animals who call Sherwood home. Not far from Sherwood you can find places to swim, mountain bike, abseil, rock climb, trail ride, 4WD, hike and bird watch.

If you are coming for the horsemanship presentations, please bring your own chair or picnic rug to sit on.

Camping

Bring your van, tent or swag and find a spot on the farm. Limited spaces are available close to amenities.

Amenities

Basic amenities are available for use, this includes showers and toilets.

Water

Potable water is available in the main kitchen, you are welcome to fill containers for drinking water only. All other taps are unfiltered from our spring-fed bore.

Pets

We are pet friendly for very well-behaved dogs only. Dogs must remain on a leash at all times.

Camp fires

Small, contained campfires are permitted provided it is not a total fire ban, and you have cleared an area of at least 2 metres around the perimeter of the fire.

Rubbish

Please leave no trace. Take your rubbish with you when you go. We are not a caravan park; we do not have a bin guy with a big truck to collect our rubbish.

Gates

Please leave gates as you find them. If it's open, leave it open. If it's closed, close it behind you. The front gate is to remain closed to keep our livestock in and the neighbour's livestock out.

Vehicles

Vehicles are to be driven by licenced drivers only. Please stick to the existing driving tracks as much as possible.

Camping with others

Be considerate of other visitors and Sherwood residents, do not enter homes, sheds or other dwellings without direct consent.

Child safety & parental responsibility

While it can be tempting to let the kids run wild and free we ask that you actively supervise your children and remain aware of their whereabouts. Your children are your responsibility. We ask that you discuss the importance of farm safety with them.

Emergencies and first aid

In the event of an emergency please call 000. A defibrillator and basic first aid is available at the main kitchen.

Animal access & safety

Please do not enter the animal paddocks or pens without direct consent. Read and respect signs. It's exciting to explore the farm and in doing this we ask that you do not pick your own fruit and vegetables. Unkind, reckless and inhumane treatment or behaviours towards animals will not be tolerated.

Not permitted

Sherwood Cliffs is a Christian residential drug and alcohol rehabilitation centre, as such the following is not permitted on-site: alcohol, drugs, cigarettes, vapes, firearms, bows or other hunting equipment.
